New Delhi, dt 05.04.2011

The General Managers

Production Units, etc.

The Director General,
RDSO/Lucknow
Railway Staff College, Vadodara
The Director, IRICEN/Pune

Sub: Works under Plan Head 51 (Staff Quarters) and Plan Head 52 (Amenities for Staff) - Consultation with representative of labour Unions/Federations.

From time to time instructions have been issued from Board's office for involving Labour Advisory Committees (LAC) while proposing works under PH-51 and PH-52 so that views of staff through Federations are considered. It has been observed that the system is not being followed on some Zonal Railways. In this regard, Staff Federations have requested for consultation with representatives of both the recognized Federations while framing the proposals for the Works Program under PH-51 & PH-52.

In the light of the above, it is reiterated that all Zonal Railways and units should associate Labour Advisory Committees while finalizing the proposals under PH-51 & 52 giving due regard to the progress of works and availability/utilization of funds. It should be ensured that ongoing works receive priority for their completion for effective utilization of resources.
