International Railway Workers' Action Day – 23rd April, 2012

AJMER

On the Call of ITF & All India Railwaymen's Federation, North Western Railway Employees Union Ajmer Division had a huge demonstration of Rail Workers at Railway station circle Ajmer on 23rd April, 2012. The demonstration was held to commoderate "International Rail Workers Action Day". The issues such as "Save Railway Save our country", "Stop politicization and undue interference in Railways", "Stop female foeticide, "Stop Privatization of Railways", "Stop out sourcing in Railways and to give governmental financial aid to Railways "Customer satisfaction our motto". "Safety First not Profit" were highlighted through this demonstration.

While addressing the gathering on this occasion, Com: Mukesh Mathur Divisional Secretary NWREU Ajmer said that for this dilapidated financial condition of Railways we the Railwaymen are not responsible. If we want to operate Railways with safe and well managed way, Railways have got to be economically well off and government of India will have to raise financial assistance to Railways to achieve this motto. The issue of rising railway fare is a subject of government. Union does not wish to intervene on this issue but we are concerned about how Railway operates safely. How the passenger get better amenities on Railway Station, how railway while addressing the gathering of course will arrange the new wagons and locomotives for affective railway operation of new trains.

The Railway Workers are doing their best for successful operation of Railways, how their genuine demands shall be met with by government of India. We will have to seriously contemplate on these issues.
